

THE DAILY STAR

MINOR LOCAL MENTIONS.

The Sam. Bowles forgery case has been continued until May 3d.

Joe Lounsbury, a colored prisoner at the Work-house, attempted suicide by hanging in his cell yesterday.

The Louisville Short-Line will give the same facilities to both the Adams and Union Express Companies until the matter is settled in court, and both companies are sending messengers over the line.

George Trumpeter, Henry Snider and J. W. McLaughlin have been appointed guards at the Work-house to fill vacancies caused by the removal of Samuel Nichols, Wm. Itzig and Michael Phelan.

P. B. Barnum and W. H. Foster, both Inquirer printers, were yesterday elected to represent Cincinnati Union No. 3, at the meeting of the International Union, to be held in Chicago the first week in June.

The sawyers at the Marine Railway sawmill struck last Monday for higher wages, causing the mill to shut down for that day, but the wages were advanced yesterday and the men are again at work.

Bishop Elder, the newly appointed Coadjutor of this Archdiocese, returned yesterday from Brown County, and will at once enter upon the discharge of his duties. He reports Archbishop Purcell in better health than he has been for a year.

The Directors of the Little Miami Railroad met yesterday afternoon and referred the matter of erecting a new depot at the corner of Butler and Pearl streets to a Committee, who will report next Saturday.

The Queen City Club last night elected Henry C. Urner President and George H. Hill Vice President of the Association. A. B. Winslow was made additional Director to fill the vacancy caused by the resignation of Joseph Longworth.

The Forty Hours' Devotion closed last night at St. Mary's Church, corner of Clay and Thirteenth streets. Rev. N. Nicola, of Dayton, O., delivered an excellent sermon, which made a great impression upon the hearers. The services closed at 9 o'clock with the great "Te Deum."

The proprietors of the Hamilton Pike have served an injunction on the Spring Grove Avenue Railroad Company to restrain them laying a double track in the middle of the street between the avenue bridge across Millcreek and what is known as Knowlton's corner in Cumminsville.

Col. Carson intends to enforce the ordinance passed in 1856, regulating vehicles for hire. The ordinance provides that no passenger shall be charged more than 50 cents, and also provides that all drivers of hackney coaches shall present their passengers with a card upon which be printed the legal rate of fare.

Work-house Directors.
The Work-house Board met yesterday afternoon for the purpose of hearing petitions for the release of prisoners.
The petitions of Geo. W. Hale and John Jessup were referred to Mr. Parker.
The petition of John H. Sparks was referred to Mr. Campbell.
James Ryan had his petition referred to Mr. Paxton.
John Schuller and Frank Smith had their petitions referred to Mr. Grossius.
Daniel Canfield was released. He is to be taken to the Common Pleas Court to be tried for burglary.

Spring Grove Avenue Case.
Mr. Fred. Vor dem Esche, the saloon-keeper corner of Main and Thirteenth streets, while driving with a friend along Spring Grove avenue in front of the Cemetery, yesterday afternoon, was arrested by one of the Cemetery watchmen on a charge of fast driving and taken before Mayor Prohman, of Clifton, for a hearing to-day.
The arrested party gave bail, and at midnight swore out two warrants before Squire Dossman against the watchman, Ernst Bauerbeck, for assault and battery. Bauerbeck had to give \$400 bonds in each case, and will have a hearing before Squire Johnson this evening. It is claimed that the case is one of unnecessary brutality, as Mr. Vor dem Esche, a reputable citizen, was not driving the team at all, but simply accompanying a friend.

"THE DOCTOR OF ALCANTARA."

The Unity Club's Offering to Cincinnati Charities.

The Unity Club made its first great hit in its presentation of "The Sleeping Beauty," or rather of "A Sleeping Beauty," for there are people who still contend that the real production came first, and that the Unity Club's effort was a burlesque. But be this true or not, the great hit was made by the Unity Club, and since that time the public has known it as the leading organization of the kind in Cincinnati. Its next achievement was in being the first to give us "Pinafore," and then came the series of popular lectures which filled Pike's every Sunday afternoon during the past season. Last evening the Club scored another triumph in giving us Eichberg's comic opera, "The Doctor of Alcantara."

The programme gave the cast as follows, with the additional items mentioned:
Dr. Paracelsus.....Mr. W. C. Cochran
Balthazar.....Mr. Edward Goepper
Carlos.....Mr. John E. Dudley
Don Pomposo.....Mr. Chapman Johnson
Cereus.....Mr. J. Hargrave
Sardana.....Mr. E. Hargrave
Lucinda.....Mrs. W. C. Cochran
Lucinda.....Miss Dora Hennings
Lucinda.....Miss Dora Hennings
Chorus of Citizens.....Mr. W. A. Hall
Chorus of Citizens.....Night-watch
Gypsies, etc.
Introducing the Spanish National Dances, "La Jota Aragonesa" and "La Beldad Sevillana."
Conductor.....Mr. Alex. Hald
Stage Manager.....Mr. W. Austin Goodman
The whole produced under the supervision of Mr. Edward Goepper.

Treasurer.....Mr. Albert G. Clark
All the characters were well sustained, and it was one of the best amateur efforts we have ever enjoyed. Mrs. Wm. A. Hall as "Lucy" was the decided hit of the occasion. She has a rare appreciation of the part and her singing and acting are both unusually fine. The following description of the costumes will be found interesting:

THE CHORUS.
Miss Evans, white; Miss Stanwood, pink and garnet; Miss Hill, light blue; Miss Leonard, buff; Miss Alice Allen, light pink; Miss Genevieve Allen, lavender; Miss Fithian, rose pink and black; Miss Schoemaker, crimson and black; Miss Elsie Field, white, with black and gold; Miss Wilder, blue with black and gold; Miss Coullidge, blue and black; Miss Dodd, yellow and black; Miss Tempest, blue and scarlet.

Yesterday was a field-day in Police circles, forty-three arrests being made in the various districts.

James Sweigel, convicted of being a known thief, was sentenced to three months in the Work-house.

Mr. M. E. Ingalls and Wm. Stichtenoth, charged with failing to comply with orders of the Board of Insecure Buildings, had their cases continued until a week from to-day.

Mike Lipman, charged with refusing to allow an officer to examine property in his pawn-shop, had his case continued until Friday.

Edward Hackmiller, on a charge of vagrancy, went out for thirty days.
J. H. Weishman was charged with harboring a howling dog. The case was continued until a week from to-day, Weishman agreeing to quiet the canine with a dose of strychnine in the meantime.

Richard Ryan, for getting drunk, will bond at Major Morgan's mansion for the next ten days.

Harrison Pearl, a genuine black pearl, was sent to Major Morgan as a present for three months. He stole a lot of smoking tobacco from the Big Sandy Wharfboat.
Annie Dugan was let down very easily for a bad case of drunkenness. She only got thirty days.
Mary Hartney, for vagrancy, got three months.

Wm. Anderson, a negro from Louisville, was sentenced to three months in the Work-house for making a very indecent exposure of his person in Eden Park.
Officers McFarland and Hinkle swooped down upon Bucktown yesterday and captured nine dizzy blondes, who this morning were given engagements as follows: Miss Maria Poindexter, Maggie O'Brien, Bridget Quinn and Nellie Hoffman, thirty days; Annie Oat, Ellen Day, Mary Miller and Mollie Spotts, three months; Mollie Oliver, ten days.

Emma Campbell, the woman who bulldozed so many ladies out of their wearing apparel, was sentenced to the Work-house for thirty days.
Benjamin Best, charged with obtaining goods under false pretences, from Geo. E. Siddle, was discharged.

FORTY-SIXTH CONGRESS.

SENATE.
WASHINGTON, April 20.—The Committee on Finance reported adversely on the bill to allow producers of tobacco to sell it at retail directly to consumers without a special tax. Placed on the calendar.

The House amendment to the bill providing for Centennial Exposition in New York in 1888 were concurred in.
The Geneva Award Bill was taken up, and Mr. Edwards resumed his remarks. Pending debate on the bill, the Senate adjourned.

HOUSE.

WASHINGTON, April 20.—The morning hour was dispensed with.

The motion was offered that the House go into Committee of the Whole on the

Special Deficiency Bill. Pending this, it was moved that general debate be limited to five minutes. A call of the House showed no quorum, the Republican side refusing to vote on the motion. The time of the House was consumed in roll-call. At 4:30 the House adjourned to 7:30 p. m.
At the evening session the House in Committee of the Whole considered the private calendar. A number of private pension bills were passed.
Adjourned.

DAYTON, O.

The Wayne-street gate of Woodland Cemetery is now open for summer.

The remains of John A. Trimble, drowned on Sunday, have not been recovered.

Bennie Leonhard "nipped" a hat at Colarino's hat store last evening, and was fogged up.

The new Board of Trustees of the Dayton Asylum will meet at the Asylum to organize on the 27th.

The following marriage licenses were issued yesterday: Daniel P. Hoffer and Mary C. Burns, William H. Clark and Mary E. Heeler.

Frank Sharpe, living on Wilkinson street, and employed on the D. C. Railroad, was slightly injured Monday by being caught between two cars while draking.

A couple of young men engaged in a set-to on Fifth street, near the railroad, last evening, in which one of the party, John Frazee, had his face somewhat banged up by Peter Paul, who was arrested.

Louisa Helfrich, charged with petit larceny, was on trial in the Mayor's Court yesterday. She was charged by John Schilling, a soldier from the Home, with stealing from him \$15 in money, a gold pin and a muff-box, and she was dismissed by the Mayor.

Yesterday afternoon were performed the ceremonies that dedicated to the uses of Odd-fellowship, a lodge room in the third story of a building on the northwest corner of Fifth and Commercial streets. In this lodge hereafter will be held the meetings of Dayton Lodge, No. 273, I. O. O. F., and Steuben Lodge, No. 507, I. O. O. F.

The gentlemen who essayed to serenade Miss L. a few evenings since, should have had "clear" throats, and their efforts would have been better appreciated. Dr. Bull's Cough Syrup is the best remedy extant for a "thick" or congested condition of the throat and bronchial tubes, giving instant relief.

A New Method in Medicine.
By this new method every sick person can get a package of the dry vegetable compound, Kidney-Wort, and prepare themselves six quarts of medicine. It is a specific cure for kidney diseases, liver complaint, constipation and piles, and a grand tonic for females.
